

WANTED!!!

STORM SPOTTERS & RAINFALL OBSERVERS

The National Weather Service in Corpus Christi is looking for volunteers to become trained storm spotters. Spotters learn to identify potentially tornadic storms and other severe weather conditions before they occur. Storm Spotters help to protect the lives and property of the citizens of South Texas by relaying critical life-saving information in a timely manner.

A National Weather Service SKYWARN Storm Spotter training session will be held in Robstown **Thu, Mar 8 at the Calderon Building, 710 East Main. The class time will be from 630-830 PM.** The class is **free** to all ages.

For more information on SKYWARN: <http://skywarn.org/about>
